

Holy Trinity 3rd Grade Required Summer Work

Dear Incoming 3rd Grade Parents,

We are excited to have your child in the upcoming 2023-2024 school year. In preparation for next year, students need to complete the following required summer work.

1. Complete the included Math Summer Solutions workbook. Ideally, spread the work throughout the summer.
2. Read Charlotte's Web by EB White, and complete the attached book report form.
3. Complete the attached reading log.
4. Study addition and subtraction math facts. At the start of the year students will have assessments over these basic facts. Using flashcards is the best way to memorize!

* Simple Solutions, book report, and reading log should be turned in on the first day of school!

Thank you,
The 3rd Grade Teachers
